## CHURCH NEWS AND EVENTS

### • SERMON SERIES (W. E. L. L. S.)

Church growth is the natural result of church health. But church health can only occur when our message/ministry is biblical and our mission is balanced.

In Acts 2:42-47, the first followers of Jesus fellowshiped, edified each other, worshipped, served each other, and evangelized.

As a result, verse 47 says, "And the Lord added to their number daily those who were being saved."

In the coming weeks, we will focus on the dimensions of a Healthy Church through
