NEWS AND EVENTS

- Happy Healthy 2020 from the Green Team.
Our on-going projects just keep coming back for more.

We collect compost. Please put kitchen scraps, coffee grinds, tea bags, eggshells, citrus peels, bones & meat in compost bucket on kitchen counter. There are newspapers and brown paper bags near compost bucket that is found in the kitchen. Feel free to empty bucket contents into city's brown bin outside using newspaper or brown paper to keep bin dry~ish. Please help us to compost as much as possible.

We collect some toxic waste. In a box labelled GREEN CHURCH PROJECT, on the table just inside the Mercille office entrance (across from the coat rack), we ask you to drop off used batteries, printer cartridges and old cell phones in order to bring them to appropriate disposal facilities. We do not accept any light bulbs.

And now for something special, come to book study on Wednesday afternoon (2 to 4 p.m.) in the parlour. Time to SHARE.

- The Christian Development committee invites you to join us, **on February 9th**, to our annual Valentine luncheon. All profits from this event go towards the sponsorship of our Foster Child, **Hudzalifah Muhammad**. Enjoy a meal consisting of ham, potatoes, loads of salads and delicious desserts, tea, coffee and juice, and lots of fellowship! The cost is 10 per adult, \$5 for 6-17 years old, \$2 for 5 years and under, and \$25 family price for 2 adults with their children under 18 years old.

In order to help us plan our purchases this year, we ask that you take a moment to add your name to the available sign-up sheets.

Thanks for your support and we look forward to sharing our meal together!

- **LOOSE COINS FOR HAITI SCHOOL PROJECT:**

Do you have any loose coins in your pockets, purses or astray anywhere else? Please bring them to church and put them in the large jar in the centre of the coffee table in Memorial hall after the worship services. You will help the Haiti School Project with literacy education etc. SLUC Outreach and Social Action Team.
