

Music Director

St Lambert United Church, St Lambert, Quebec is seeking a part-time (6 hours per week) Music Director to provide professional services on a long-term basis commencing April 2024. The ideal candidate will be a skilled musician in pipe organ and piano and possess a solid foundation in music in terms of the level of training and/or years of applicable experience. Current students or recent graduates in Bachelor of Music programs having pertinent experience and solid music credentials will also be considered.

The chosen candidate will be expected to consult, collaborate and work alongside the minister in the selection and preparation of music for church services. In so doing, the successful applicant should be able to demonstrate a solid background in, and familiarity with, traditions concerning music suitable for religious settings. The Director will assume a key role in the leadership of the music ministry, playing a three manual pipe organ and a Willis baby grand piano. As such, the successful individual may be called upon from time to time to work collaboratively with the St Lambert United Church Bell Choir, the W.o.W. praise band and other musicians (instrumentalists and vocalists) in preparing music for church services and special occasions. The Director will be required to be present to play at all regular worship services (normally held on Sunday mornings) and all special services that may be organized from time to time (including during the Christmas season). It is expected that the Director would be available to play at weddings and memorials, should the need arise.

A working knowledge of English is required.

Remuneration will be determined based on position requirements, a candidate's experience and qualifications, and within the church's ability to pay.
